**b. Operational and Clinical Components:** The Trauma System Plan continues to be updated, expanded and improved and revisions to the ByLaws and Articles of Incorporation were approved by the Executive Committee at their July meeting. Air Medical Protocols and operational protocols have also been developed and have been approved by the Executive Committee. Final approval by the Board of Directors is scheduled for the December General Participants/Board of Directors meeting in Iraan.

**c. Standards and Protocols Related to Trauma Care Developed in TSA J:**

Protocols for EMS, Nurses and Physicians were reviewed and updated at the July meeting of the Executive Committee. They are scheduled for final approval at the December meeting of the Board of Directors/Participants in Iraan. Air Medical Protocols and Operational Protocols have developed and approved by the Executive Committee. Final approval for the protocols will be at the Board of Directors/Participants meeting in December.

**d. Achievements, activities and trauma system challenges:**

1. Participated in Hurricane Rita and Katrina disaster relief.
2. Held Trauma Awareness Day in conjunction with Rockhounds minor league baseball game and attendance exceeded 7,000. There were 25 booths and 130 volunteers at the event. In addition to seeing a baseball game, attendees were given information on such things as injury prevention, effects of drinking and driving, suicide prevention, child safety seat installation and overall safety issues.
3. Participated in local Health Fairs within our region with a "Project Rescue Me" booth. Approximately 10,000 people have been registered in the data base since the inception of the program.
4. Promoted seat belt safety via the rollover simulator demonstrations at health fairs, trade shows and other local events throughout the region .
5. Completed the third Shattered Dreams Project this year in conjunction with the local D-FY-IT organization and copies of the project are being distributed within the region.
6. Continue to be actively involved in the distribution of child safety seats. We have purchased 298 seats this year for distribution in Region J.
9. Continue to participate in The Yellow ribbon Suicide Prevention Program which began in 2000 continues to be very successful within Region J.
10. Participated in DSHS Emergency Preparedness as follows:
  - a. Established Emergency Preparedness Team to coordinate disaster preparedness within the region.
  - b. Improved disaster communication by placing Ham Radios with computers and printers in all county EOC offices as well as each hospital in region. Entered into LOA with ham operators to man radios in time of disaster.
  - c. Supplied all hospitals in region with minimally required PPE and furnished trailers with PPE to five counties without hospitals in region through Rural Ready Disaster Preparedness Grant from HRSA.
  - d. EMSsystem installed and maintained in region.
  - e. EMCredential Beta Site.
  - f. Continue to work in partnership with the Permian Basin Regional Planning Commission (COG) and other regional agencies in disaster preparedness and drills.

11. Awarded over \$81,000 in grants to pre-hospital providers and hospitals in our region for operational expenses, equipment needs and educational needs.
12. A portion of the RAC/3588/County funds have been set aside to provide reimbursement to nurses and EMS personnel for training expenses incurred. Educational offerings will continue to be presented at the quarterly Board of Directors/Participants meetings.

**VIII. Major Problems and Areas of Concern:**

Changes in Funding.  
Changes to RAC resulting from DSHS restructure.

**IX. Status of 501©(3):** Form 401 updating RAC information was filed with the Secretary of State in June.

**X. Problems Requiring State Assistance:** None at this time.

**XI. Projected/anticipated issues and changes in coming fiscal year:**

Continuation of current projects with HRSA funding.  
Increase public profile of RAC.  
Disaster Preparedness.

**XII. Revision date of RAC Bylaws and Trauma System Plan:** Revised at Executive Committee Retreat in July of this year. Scheduled to be approved at the December Board of Directors/Participants Meeting in Iraan.
